

Project Update

Construction activities are near completion in several areas of the La Cienega Interceptor Sewer Rehabilitation Project (LCIS). Please see below for updates on work in your neighborhood.

La Cienega Boulevard between Pico Boulevard and Olympic Boulevard

Anticipated end date: November 10, 2018 (WITH THE EXCEPTION OF La Cienega Boulevard at Olympic Boulevard)
Work will be completed on Saturday, November 10, 2018. Restriping of the roadway including restoration of traffic and parking lanes will occur on that date, requiring a full closure of La Cienega Boulevard with local access only.

La Cienega Boulevard at Olympic Boulevard

Anticipated end date: February 2019

There is no work planned at the corner and intersection of La Cienega Boulevard and Olympic Boulevard from November 10, 2018-January 1, 2019. Work will resume January 2, 2019 and continue through February 2019.

Odor Control Unit in median at Olympic Boulevard and Schumacher La Cienega Boulevard at Olympic Boulevard

The odor control unit has been removed; however, it will be required for two weeks in January/February 2019.

Cashio Street between La Cienega Boulevard and Crescent Heights Boulevard

Anticipated end date: February 2019

Impacts include intermittent road closures on Cashio Street between La Cienega Boulevard and Alvira Street, local access only with no through traffic to La Cienega Boulevard, and a road closure at Cashio Street and Crescent Heights Boulevard with no access to Crescent Heights Boulevard. Local access only between Cashio Street and Crescent Heights Boulevard via Alvira Street. No parking in construction work zones during work hours.

Crescent Heights Boulevard between Pickford Street and Pickford Place

Anticipated end date: November 10, 2018

Work will be completed on Saturday, November 10, 2018. Restriping of the roadway including restoration of traffic and parking lanes will occur on that date, requiring a full closure of Crescent Heights Blvd with local access only.

Stearns Drive at 18th Street; 18th Street at Stearns Drive

Anticipated end date: February 2019

Activities will include intermittent road closures with local access only and no parking in construction work zone.

Stearns Drive and Sawyer Street

Anticipated end date: December 2019

Activities will include intermittent road closures with local access only and no parking in construction work zone.

Stearns Drive and Guthrie Avenue

Work has been completed; however, the odor control until will remain in place through March 2019.

Whitworth Drive between La Cienega Boulevard and Alfred Street

Packard Street between La Cienega Boulevard and Alfred Street

Alcott Street between La Cienega Boulevard and Alvira Street

Saturn Street between La Cienega Boulevard and Alvira Street

Anticipated end date on each of the above noted streets: November 19, 2018

Please contact Danielle Sevilla at (310) 710-3264 danielle.sevilla@lacity.org or Joshua Melendez at (310) 961-8225 joshua.melendez@lacity.org with questions or concerns. After 5:00 p.m. and on weekends, call the LA Sanitation Customer Care Center at (800) 773-2489.
