WAYS OF WORKING (Standards on which we agreed to hold ourselves & each other accountable)

- No Cross talk (no interruptions or sidebar conversations while someone has the floor)
- Identify yourself when you speak or present, especially during Virtual meetings. You can request to RAISE HAND on the Zoom Feature as a Participant or Attendee. You may also use the Q&A feature to post a public or private comment to the panelists or attendees.
- Listen and respond respectfully to others’ ideas/opinions - even if you disagree
- It’s OK to disagree (just express it respectfully)
- Say what you mean, mean what you say (be honest and forthcoming - no innuendo or code)
- Generosity of spirit (conduct ourselves with good intentions and assume good intentions in others)
- Separate the message from the messenger (don’t make it personal)
- Exhibit appreciation, interest, and empathy for different backgrounds and perspectives
- Be informed (ask for clarification or information; don’t be offended or rude if others ask you for it)
- Be active listeners (paraphrase to show – or ask whether – you understand someone correctly)
- Each Committee member shall be limited to 3 comments of up to 2 minutes total per agenda item.
- Each Public Comment per agenda item will be limited to 2 minutes and 1 minute for follow up and will be addressed at the start of the meeting and managed by the Moderator.
- Presenters will have an opportunity to address General Public Comments at the start of the meeting and later as items on the agenda are presented. Once Public Comments are presented per the agenda item, the Land Use Committee may address comments before the Presenter responds. Time Permitting there may be further follow up Public or Committee comments (time permitting), before a committee member puts forth a motion for consideration and for a committee vote.
- *No further public or committee comments will be considered once a motion is put forth, seconded and a vote is taken.*

2. (Est. 6:35) GENERAL PUBLIC COMMENT ON NON-AGENDA ITEMS: *Comments from the public on non-agenda items within the Land Use Committee’s subject matter jurisdiction. Public comments are limited to two (2) minutes per speaker, (unless waived by the presiding Chair or Moderator). Those wishing to make a public comment regarding an item listed on the agenda should hold those comments until the matter is called on the agenda.*

3. (Est. 6:45) CONSENT CALENDAR- (Note: A consent calendar is a board meeting practice that groups routine business into one agenda item. The consent calendar can be approved in one action, rather than filing motions on each item separately. A consent calendar moves routine items along quickly so that the board has time to discuss more important issues. If a member disagrees with the consent calendar item or wants to move it to the regular agenda, the member would request that the item be pulled from the consent calendar. The Chair would ask if the members are in favor of approving the consent calendar minus the removed item.)
